

Underground Fire Line Fee Worksheet

The information in this section pertains to the permit and inspection fees for Underground Fire Line. This includes new installation, additions, or modifications to the system. The permit fee includes up to 4 inspections of the system. Plan review fees are \$95 per hour (1 hr minimum) and are in addition to the permit fee. Any re-inspections to a failed system will result in a \$150.00 per system re-inspection fee and must be paid prior to the re-scheduled inspection.
