

Standpipe Systems Inspection Fee Worksheet

The information in this section pertains to the permit and inspection fees for Standpipe systems. This includes new installation, additions, or modifications to the system. The permit fee includes the plan review and initial inspection of the system. Any re-inspections to a failed system will result in a \$150.00 per system re-inspection fee and must be paid prior to the re-scheduled inspection. In addition to the per system fee, an after-hours inspection fee of \$75.00 per hour (2-Hour Minimum) before 8:00 a.m. and after 4:00 p.m. Monday-Friday may be applied if applicable.
